FAQ About Portable Toilet Rental

What are the average costs of renting a portable toilet in Houston, TX?

The average cost of renting a portable toilet in Houston can range from \$100 to \$300 per unit per week, depending on factors such as the type of toilet, rental duration, and additional services like handwashing stations or regular servicing.

How long can you rent a portable toilet for?

Portable toilets can typically be rented for a minimum of one day, with options available for longer rental periods, often extending from a week to several months, depending on the needs of your event or project.

What types of portable toilets are available for rent?

In Houston, you can find various types of portable toilets available for rent, including standard units, deluxe models with sinks, ADA-compliant units, and special event trailers that offer more comfort and amenities.

Do portable toilets come with handwashing stations?

Many rental companies in Houston offer handwashing stations as an additional feature with portable toilet rentals. These stations usually include soap dispensers and hand sanitizer to ensure proper hygiene at events.

How do you determine how many portable toilets are needed for an event?

The number of portable toilets needed for an event in Houston typically depends on the expected attendance, duration of the event, and the ratio of toilets to guests, which is generally recommended at 1 toilet for every 50 guests for events lasting several hours.
