

SOLOLUNA

Natural Wellness for Your Period Routine

Every cycle is an opportunity to slow down and care for yourself. Sololuna is an Australian wellness brand crafting botanical products designed to support calm, balance, and menstrual comfort. Discover a more intentional approach to cycle care with natural period relief products australia, rooted in nature, made with care.

WHY NATURAL?

A Gentler Approach to Cycle Self-Care

More women are embracing botanical wellness as part of their everyday cycle routine — choosing gentle, plant-based products that support comfort and calm.

> Botanical Ingredients

Thoughtfully selected organic botanicals inspired by nature

> Relaxation & Comfort

Designed to support ease and menstrual wellbeing

> Simple Rituals

Easy to weave into your everyday routine

> Mindful Wellbeing

A gentle, intentional approach to personal self-care

THE COLLECTION

Meet the Sololuna Wellness Collection

Three thoughtfully crafted essentials – each designed to support your personal wellness ritual.

Grace & Relief Comfort Roller - 50mL

A convenient roll-on format with a botanical essential oil blend. Designed for easy, on-the-go use as part of your self-care routine.

Pure Grace & Relief Oil - 11mL

A concentrated organic botanical oil blend. Suitable for diffuser, bath, or diluted topical use – designed for a more intentional wellness ritual.

Organic Red Raspberry Leaf Tea — 120g

Organic, caffeine-free loose-leaf herbal tea. Enjoyed hot or chilled as a soothing daily wellness ritual.

OUR VALUES

Naturally Made. Thoughtfully Created.

Sololuna is committed to creating products that feel like a genuine part of your self-care ritual — not a complicated routine. Every formulation is crafted with intention, quality, and care for both you and the planet.

Australian Made

Formulated and crafted locally with care.

ACO-Certified Organic

Verified organic botanical ingredients

Plant-Based Formulations

No parabens, fillers, or synthetics

Low-Impact Packaging

Recyclable glass and cardboard

Small-Batch Quality
