Stories from Springfield Homeowners

Nothing beats listening to real-life experiences. Here are 2 tales that always stick to me.

The Johnson Family's Big Move

The Johnsons were city slicker seeking more room without damaging the bank. When they toured a three-bedroom design from Clayton Homes, they loved the high ceilings and sunlit living room. UMH Properties Inc. took care of every little thing-- from selecting the lot to working with the move-in. Today, their children have area to play [Additional resources](#) in the yard, and Mom and Dad have a peaceful home office.

Retiree's Perfect Fit

After that there's Margaret, a retiree who desired simplicity and affordability. She found a single-level strategy that reminded her of the cottage she matured in. UMH Properties Inc. strolled her via financing alternatives and also helped timetable landscape design solutions. Currently, Margaret spends her early mornings reading on the porch and her afternoons offering at the shrine present shop just later on.
