FAQs

1. Q: How often should I get my windows cleaned?

- A: It is recommended to have your windows professionally cleaned at least twice a year for optimal results. However, the frequency may vary depending on factors such as location, weather conditions, and personal preference.

1. Q: Are your cleaning products safe for my pets and children?

- A: Yes, our cleaning products are non-toxic and safe for both pets and children. We prioritize the safety of our customers and the environment by using eco-friendly solutions.

1. Q: Do I need to be home during the cleaning process?

- A: It is not necessary for you to be home during the window cleaning process. Our team can efficiently clean your windows while you carry on with your daily activities. However, if you prefer to be present, we are more than happy to accommodate your request.

1. Q: How long does it take to clean windows in an average-sized home?

- A: The duration of the window cleaning process depends on factors such as the number of windows, their condition, and accessibility. On average, it takes approximately 2-4 hours to clean windows in an average-sized home.

1. Q: Do you offer any guarantees or warranties on your services?

- A: Yes, we stand behind the quality of our work and offer a satisfaction guarantee on all our services. If you are not completely satisfied with the results, we will re-clean your windows at no additional cost.

1. Q: How do I schedule an appointment with Mesa Window Cleaning Company?

- A: Scheduling an appointment is quick and easy! Simply give us a call or fill out our online contact form, and one of our friendly representatives will assist you in booking a convenient date and time for your window cleaning service.
