# History

United Airlines has maintained a strong presence at Phoenix Sky Harbor International Airport for decades, serving as a vital link between the Southwest and key destinations across the U.S. Originally operating from Terminal 2, United shifted its operations as PHX expanded and modernized. Over the years, United has increased its flight offerings, connecting Phoenix with its major hubs, including Denver, Chicago, and Houston.

# About United Airlines

United Airlines at PHX is dedicated to delivering an exceptional travel experience through its well-equipped terminal facilities. The airline operates multiple daily flights, offering connections to its hub airports and beyond. With a strong focus on customer service, United provides travelers with convenient check-in options, priority boarding, and access to premium lounges for eligible passengers.

# Services Offered

United Airlines at PHX provides a variety of services to enhance the passenger experience. Travelers can take advantage of self-service kiosks and mobile check-in for quick boarding pass retrieval. The airline offers United Club lounge access for premium travelers, providing a quiet space with refreshments and Wi-Fi. Additional services include baggage handling, priority boarding, in-flight Wi-Fi, and United Polaris business class amenities on select routes.

# Key Features

The United Airlines terminal at PHX is designed for efficiency and passenger comfort. Spacious seating areas with charging stations are available throughout the terminal, allowing travelers to stay connected before their flights. Dining and retail options provide a mix of local flavors and popular brands. The terminal features streamlined security checkpoints for a quicker screening process.
