In this article, we will learn the process of **FamilySearch login**. We have detailed information below on how and for what purpose someone uses FamilySearch, with images explaining how to log in.

- What is **FamilySearch** in **Family Tree Maker**?
- What is the use of **FamilySearch**?
- How to use FamilySearch?
- Features of FamilySearch!

What is FamilySearch Login in FTM?

When you hear **FamilySearch**, the first thing that may come to mind is that it must relate to genealogy. So, yes, **FamilySearch** is a genealogy organization.

The Genealogical Society of Utah founded [FamilySearch](https://familysearch.org) in 1984. The church of Jesus Christ Latter-day Saints, later ancestry, took over the service provided by the church of Jesus Christ Latter-day Saints. So now ancestry owns this website.

Use of FamilySearch in family tree maker?

FamilySearch can find family information, records, and facts. You can rely on this information as it provides facts. If you are using **Family Tree Maker 2019**, you can use familysearch.org. You can get automatic match suggestions for FamilySearch.

Note: You can always choose between FamilySearch and Ancestry.

How to use FamilySearch?

To use **FamilySearch**, the user must have **Family Tree Maker 2019**. So, first, I need to log into FamilySearch. Then, sign into FamilySearch within FTM Software to get hints in

FTM.

Please follow the steps below to use FamilySearch In FTM 2019.

- To Log in, please type your username and password and click on sign in. It will log you into FamilySearch in **Family Tree Maker**.
- If you do not remember your password, click on the blue link that says forgot your password.
- **Familysearch.org** will send you a link to reset your password. Then, you can create a new password and log in to your account.
- If you do not remember the username, please click on the link that says username. It will ask you to enter your email address, and if you provide the correct one, then **Familysearch.org** will send you your username, and you can reset your password.
- If you do not have an account and want one, go to **familysearch.org** and create one.
- Once your account is registered, you can use **FamilySearch** in your **Family Tree Maker 2019**.

Are you still having trouble getting this done? Here is a **Family Tree Maker Support Number: +1-888-257-3335**.

FAQ

Question- Does FamilySearch support the current version of FTM?

Answer: Yes, FamilySearch supports the current version of FTM. However, if you are using an older version, you should upgrade to a newer version or install it.
