When to Hire an Attorney After a Car Accident

Car accidents can be traumatic experiences, leaving individuals overwhelmed and unsure about the next steps to take. One of the most common questions that arise after a car accident is when to seek legal assistance from a **personal injury attorney in Cypress**. At the Offices of Andrew Zeytuntsyan, we understand the importance of timely and effective legal representation following an accident. Here's when you should consider hiring an attorney after a car accident:

Serious Injuries:

If you or your passengers sustain severe injuries in a car accident, it's crucial to consult with a personal injury attorney. An experienced attorney can help you navigate the complexities of filing a claim and ensure you receive the compensation you deserve for medical expenses, lost wages, and pain and suffering.

Disputed Liability:

In cases where fault for the accident is disputed or unclear, hiring an attorney becomes essential. Your attorney will conduct a thorough investigation, gather evidence, and build a
