

Kingsport has a handful of Mexican spots, but Fusion at Ridgefields stands out among Tex-Mex restaurants in the area by pairing those flavors with Italian and American dishes on the same menu. Tex-Mex favorites include chimichangas, street tacos, and salmon tacos, alongside a beef taco salad that regulars mention often. The kitchen leans into bold seasoning rather than a watered down version of the cuisine. The bar backs up the food with a full drink menu of craft cocktails and margaritas, including the Toxic Tonic and the Mango Habanero Margarita, both popular with guests looking for something with a kick.
