Types of Fences Offered by Outstanding Fencing

Timber Paling Fences

Timber paling fences are a classic choice that combines aesthetics with functionality. Ideal for both residential and commercial properties, timber offers warmth and charm.

- **Benefits**
- Natural Look: Complements gardens beautifully.
- Customizable Heights: Tailored to your preference.
- Eco-Friendly: Made from sustainable materials.

Colorbond Fences

Colorbond fences are known for their resilience and modern look. Perfect for those wanting a low-maintenance option that still looks sleek.

- **Durability:** Resistant to weather conditions.
- **Variety of Colors:** Match any exterior design.
- **Security:** Offers excellent protection against intruders.

Aluminium Blade Fences

For a contemporary touch, consider aluminium blade fences. They're lightweight yet strong, offering unique designs that elevate any landscape.

- **Custom Designs:** Available in various patterns.
- **Corrosion Resistant:** Ideal for coastal areas.
- **Easy Installation:** Quick and efficient setup process.

Aluminium Slat Fences

Similar to blade fences but with a different design approach, aluminium slat fences provide an elegant solution for privacy without sacrificing style.

- **Versatile Applications:** Suitable for both residential and commercial spaces.
- **Low Maintenance:** Requires minimal upkeep over time.

Tubular Metal Fences

These fences offer both security and visibility—ideal for properties where boundary lines need clear definition while maintaining an open feel.

- **Robust Construction:** Designed to withstand impact without damage.
- **Style Variety:** Can be customized in various heights and colors.

Swing Gates vs Sliding Gates: Which is Right for You?

Choosing between swing gates or sliding gates can be challenging:

Feature	Swing	fencing contractor Melbourne	Gates	Sliding	Gates	-----	-----
-----	-----	-----	Space Required	Requires more space	Minimal space needed		
Aesthetic Appeal	Classic look	Modern design	Cost	Generally less expensive	Usually higher upfront cost		

Both options come with unique benefits depending on your property layout and personal preference!

FAQs About Outstanding Fencing

1. What types of materials do you use?

We utilize high-quality materials like timber, Colorbond steel, aluminum, glass, and more based on client requirements.

2. How long does installation take?

Installation timelines vary depending on the type of fence but generally range from one day up to several days for larger projects.

3. Do you offer warranties on your work?

Yes! At Outstanding Fencing, we stand behind our work with warranties tailored specifically to each type of fence installed.

4. Can I customize my fence design?

Absolutely! We encourage clients to share their ideas so we can create personalized fencing solutions that meet their vision perfectly.

5. How do I maintain my fence after installation?

Maintenance varies by material; timber may require staining or sealing while Colorbond needs minimal upkeep—just an occasional wash!

6. Are permits required for fence installation?

Permit requirements depend on local regulations; our team can help determine what's necessary based on your location!
